

Jay and Raven Camping

The Jays and Ravens have a two night camping experience both in the fall and the spring.

The camping trips typically occur at State Parks in the forests and mountains, either in the Santa Cruz mountains or the East Bay area.

Camping Activities

The activities are focused on wilderness first-aid and safety, as well as naturalist skills such as nature journaling.

Students are also asked to create the menu for the trip in groups.

Camping Skills for Jays and Ravens

- pick meals for the trip
- increased responsibility in packing
- increased responsibility in cleaning up
- increased responsibility in cooking meals
