Kai Marks

Condors (5/6) Humanities

I've had a few quiet and relaxing weeks at home, and have been working on a few projects for Helios!

Happy summer birthday to Kai (7/21)!

Alyssa Carlson

Condors (5/6) Science

The word for this summer is relaxation! I spent my days going on one final adventure with Kai, reading on the patio, volunteering at a dahlia farm, and bonding with the new kitten. It has been low key, barely scheduled, and wonderful!

Ishaan Bedi

Grade 6

Fun Facts:

I attended all kinds of camps with my sister. I went swimming at the Washington pool with my cousins who visited from Southern California. I also got to see a lot of my extended family during family gettogethers this summer. I got on the city of Sunnyvale swim team after trying out for a spot and graduated from the swimming school I have been attending for the last four years. I went to the movies with my sister and my friends. I worked on a complicated Starwars lego kit I got as a belated birthday gift. I went to the 4th of July festival in downtown Sunnyvale with my extended family and had a lot of fun playing the games and listening to music.

Condors

Avyukt Jain

Grade 6

Fun Facts:

Hey everyone! I'm super excited to be in 6th grade. I'm a happy and easygoing person and think that kindness is the coolest virtue.

I love to learn about how the world works, so Math and Science are my favorite subjects. When not in class, you'll usually find me playing basketball, soccer or flag football with my friends in recess.

I had a great summer in India visiting my grandparents, aunts and uncles, playing with my cousins and eating lots of delicious food. I even started learning how to play tennis and playing some songs on synthesizer. Besides, I read over 20+ fiction books including Hunger Games, Enigma Girls, and Catfishing on Catnet.

I can't wait to see what this year brings!

Condors

Raiyan Pandya

Grade 6

Fun Facts:

- I really like sports, especially hockey and baseball
- I went to Yellowstone National Park over the summer
- I like to read a lot
- I can simulate lots of games using different types of dice, online simulators, a stopwatch, or even a pencil!

Raiyan's Family

Sameer (dad), Kyrin (brother),
Stephanie (mom), Raiyan

Say Hello!

sameer.pandya@heliosschool.org,
stephanie.pandya@heliosschool.org

Condors

Caroline Park

Grade 5

Fun Facts:

This summer, our family took some trips to Napa where we baked brioche bread and croissants. We also got another dog, Pebble. He is a black Australian Labradoodle puppy. He's hard to train, but I'm making some progress. He likes to play with our first dog, Chase, a Labrador Retriever.

My favorite books are usually books about animals like Warriors, Survivors and also nonfiction books about dogs and cats.

I like to read, swim and write. I also like to train and play with my two dogs, Chase and Pebble.

**Caroline's
Family**

Janice (mom), Caroline (daughter), James (dad)

Say Hello!
